**FIT TO FLY HEALTH CERTIFICATE**

To Whom It May Concern:

This is to certify that I have examined. On this date dog/cat described as below:

Owned by : Tutut Guantoro & Wilson Halim  
Residing at : 7436 Apache Way, Citrus  
Heights, California 95621,  
USA  
Telephone No : +62 812-9890-2980  
Destination Travel : Jakarta, Indonesia

And to the best my knowledge and ability to determine with the procedures used, find the dog/cat at the time of the examination to be apparently free from evidence of dangerous communicable / transmitted animal disease, and in the good healthy physical condition. Animal descriptions as below:

Pet Name : Daeho  
Species : DOG  
Breed (Color) : CORGY (TRICOLOR)  
Sex : MALE  
DoB : 20 Dec 2022  
Microchip No : 985-141-006-579-244

The Dog Has Been Observed and Found No Health Issue, No Sickness, and Parasites,  
Declared as Healthy and Fit to Fly Out from USA to Indonesia

Kind regards,

Dr Jennifer Newitt DVM MSc MRCVS
